#inspiringadventures

Supersonic

Sophisticated, elegant design and timeless performance.

Our Goal

Design

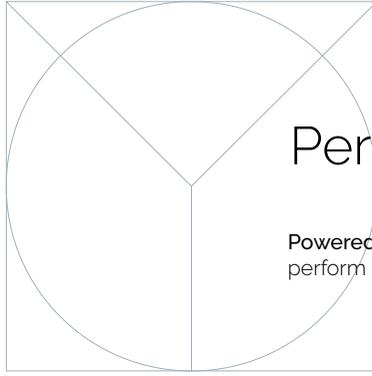

Driven by design. All-new design, innovative, elegant and sophisticated, with attention paid to the smallest details.

Supersonic. New Adria integrated motorhomes, the pinnacle of our offer, for the best in design, performance, innovation and experience.

Inspired by the latest in yacht, home and automotive design, the new Supersonic is ***driven by design***, for those with a passion for sophisticated refinement and capability.

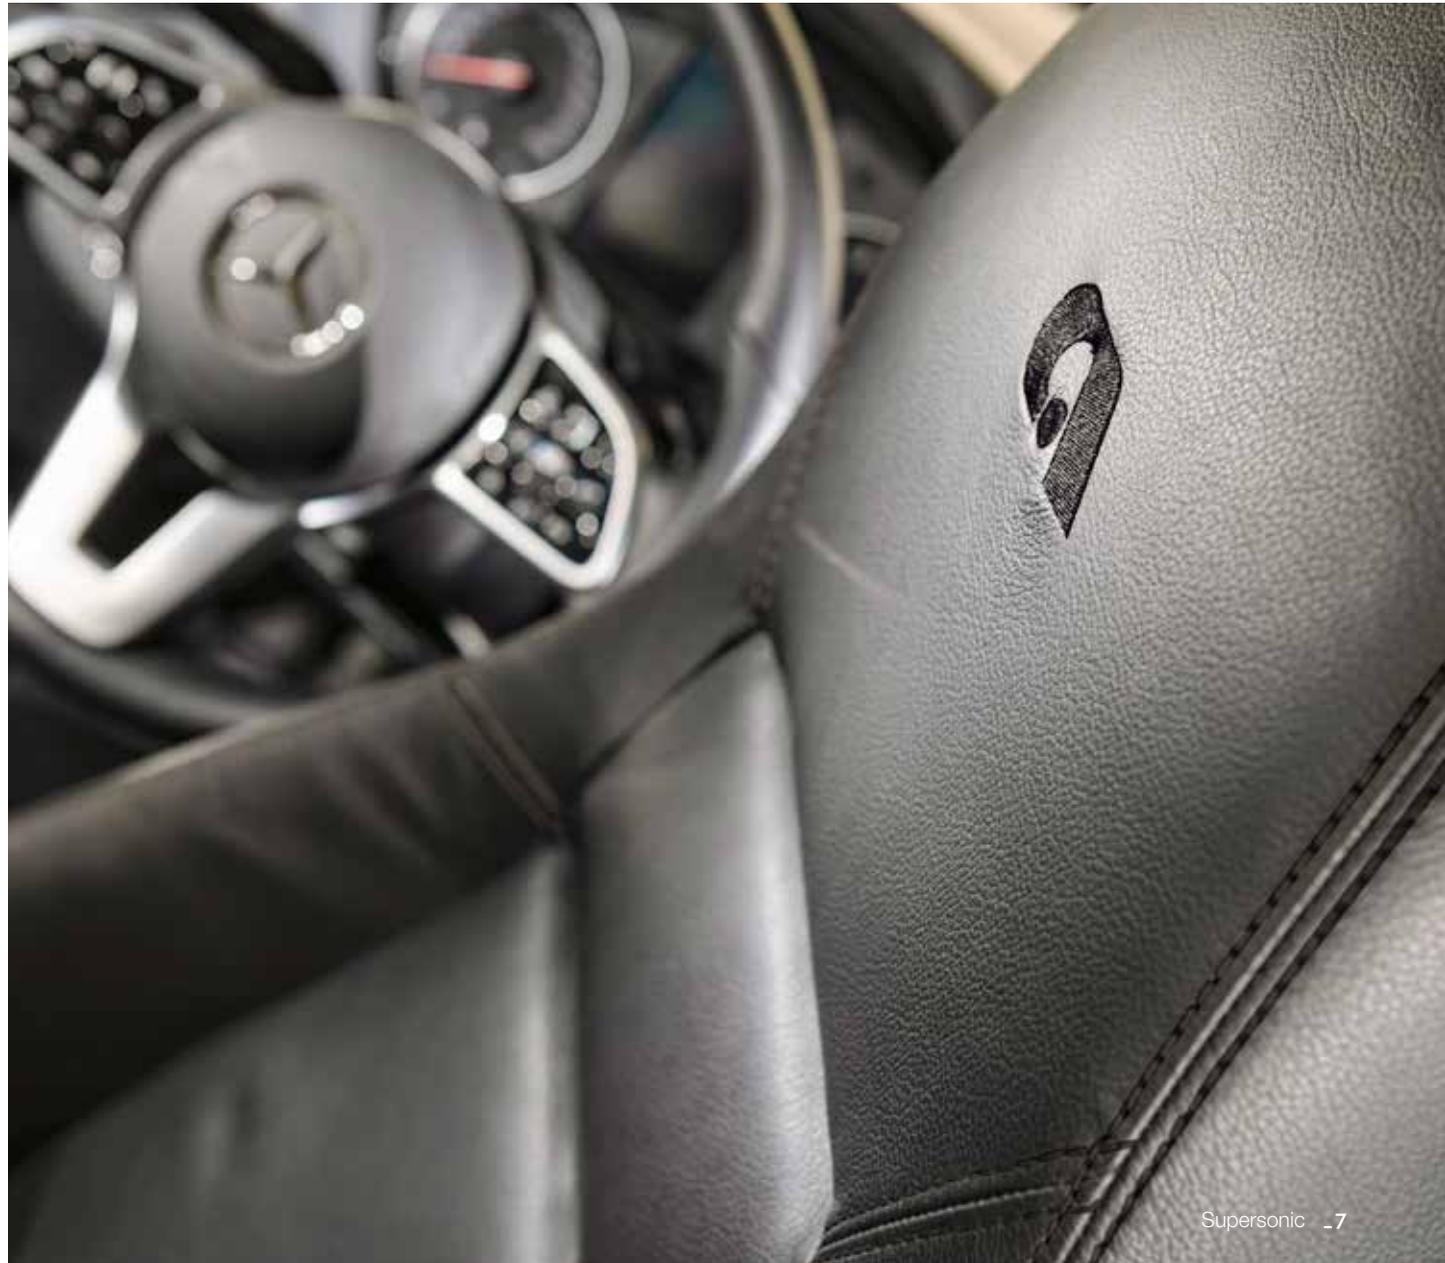

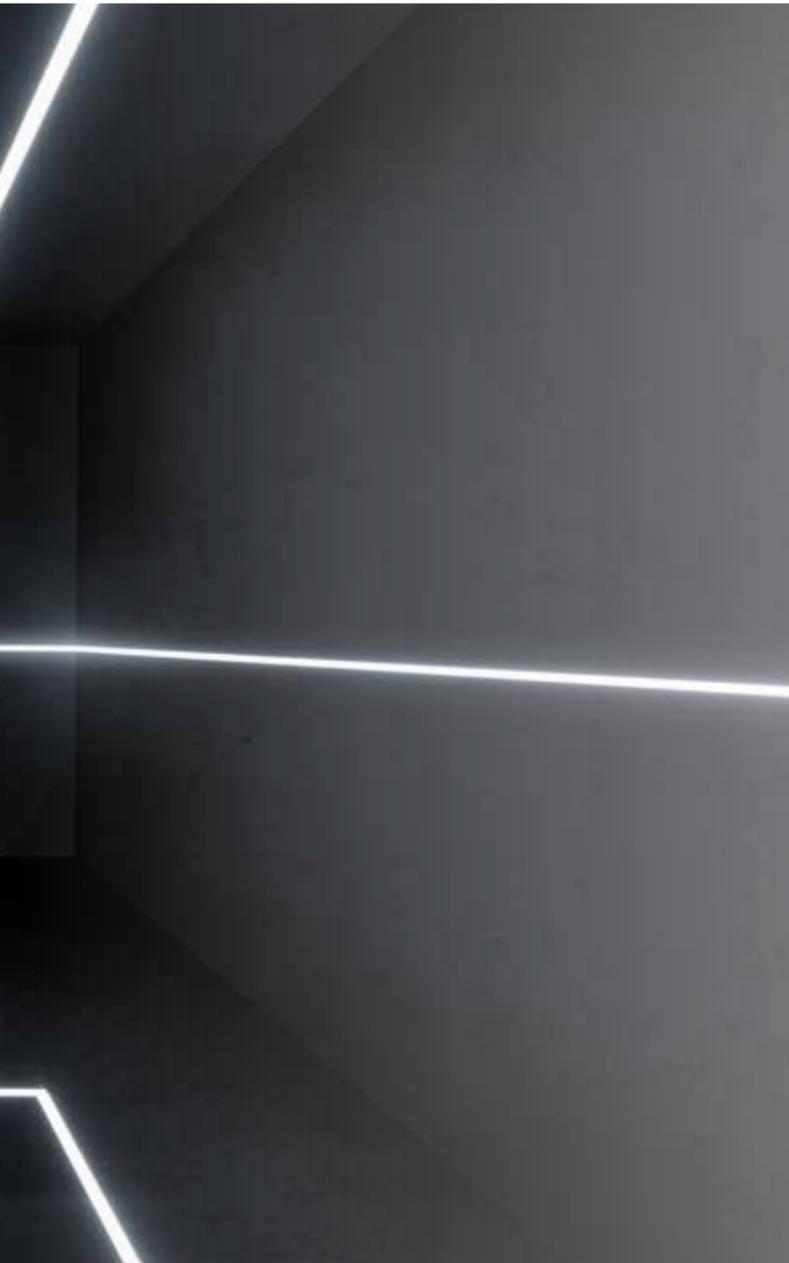

Perfectly integrated on ***Mercedes-Benz***, a synonym for luxurious, elegant design and precision engineering, the ultimate motorhome base vehicle.

Performance

Powered by Mercedes-Benz. A motorhome designed to perform on the road and in everyday use, all year-round.

Innovation

Smart easy living. The latest in driver safety and motorhome easy living, with inspired new solutions throughout.

Experience

Comfort and practicality. An outstanding, uncompromised driving and living experience.

Designed to Perform

Everything is meticulously designed, developed and tested to ensure your safety, comfort and enjoyment. Built to enjoy, built to last.

MORE TECH INFO AT
WWW.NEWSUPERSONIC.COM

BODY CONSTRUCTION

Adria Complex body with GFK and aluminium for weight reduction. Construction ensures the benefits of the torsional strength of wood, the durability of polyester and moisture-stopping properties of polyurethane.

Wide habitation door (650 mm) with hidden hinges, two-way lock, privacy window and internal storage.

Exterior wide-angle mirrors, electrically-operated and heated.

Central Service Box for utility hook-ups in one place, accessible from outside and inside. Features power socket, TV antenna and storage.

Fresh water tank, optimally positioned and large volume (150 l). Electronic fresh and grey water disposal system.

Optional awning with adapter.

CLIMATE CONTROL _ Built to Adria 'Thermo-build' standards, with optimized insulation materials, precisely engineered heating design and Adria's Air Flow System.

Semi-automatic climate control Tempmatik, as standard. Alde compact 3030 heating system for perfect comfort and no cold spots.

Factory-fit optional air-conditioning available.

DOUBLE FLOOR _ Single level floor throughout, with under-floor space, for integrated utilities, insulation and storage.

Discover 360 walkthroughs, layouts, specification technical data and our product configurator at www.newsupersonic.com

Some features may not be available on all models. Please check www.adria-mobil.com for individual model specifications and technical details. *Conditions apply see website for details.

Striking new design, clean automotive lines and dynamic styling, blending the Adria signature look with the Mercedes-Benz base vehicle, with silver metallic exterior colour.

Wide habitation door (650 mm) with hidden hinges, two-way lock, privacy window and internal storage.

Exclusive front grille, with HELLA daylight running lights and Bi-LED modules, integrated bumper and LED fog lights and static-corning feature.

Exterior wide-angle mirrors, electrically-operated and heated.

EXTERIOR _ *Inclined rear wall design with air-diffusor profile, rear-view camera and Hella LED multifunctional lights.*

Mercedes-Benz.

State of the art precision engineered for timeless performance, safety and user-friendly features.

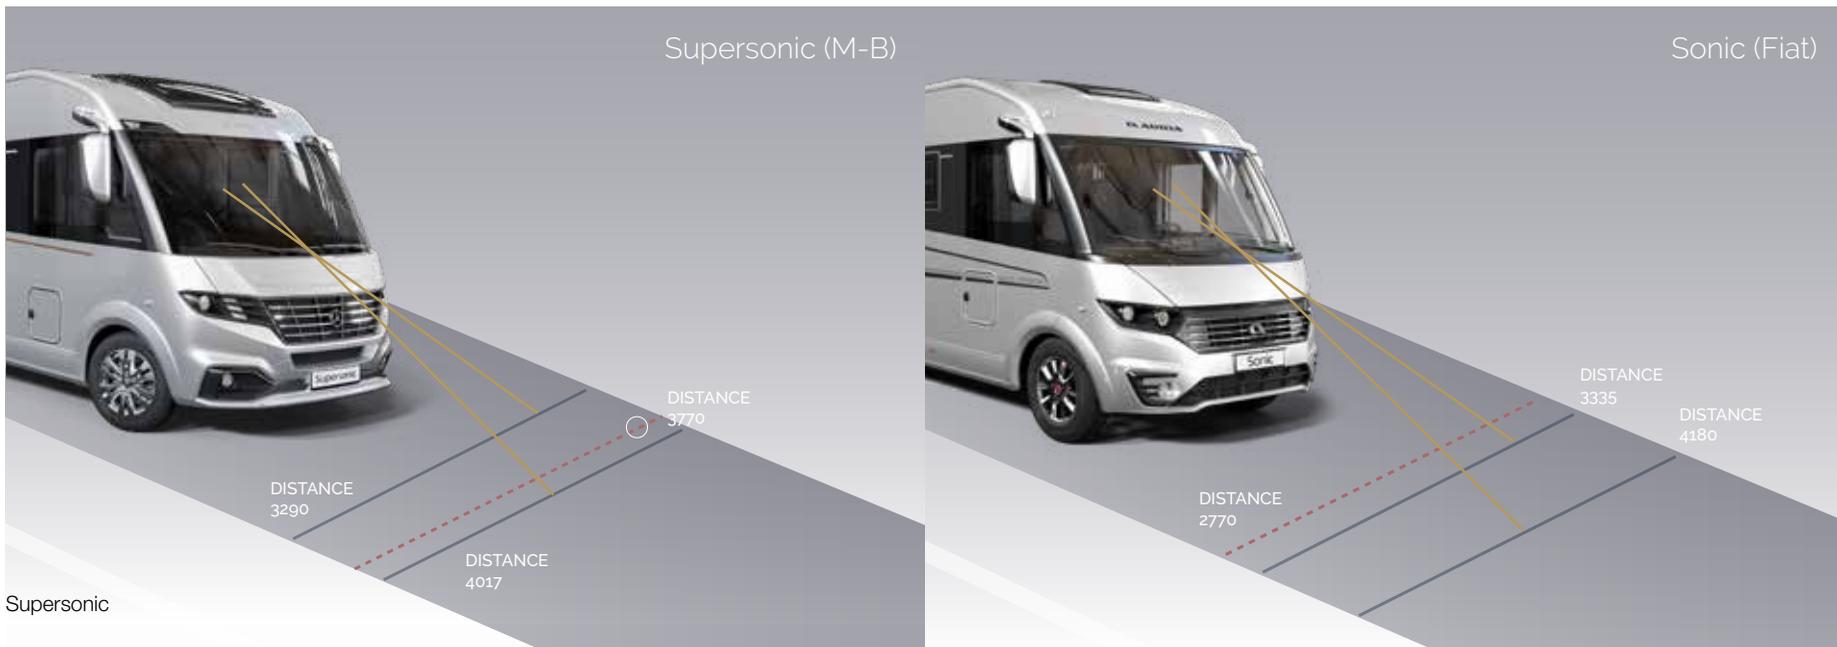

Mercedes-Benz cabin design and driving experience, easy connectivity features and soft-touch black leather elements.

Mercedes-Benz User Experience (MBUX) touchscreen with intelligent voice control and upgrade options for wireless charging and navigation.

Mercedes-Benz safety features, including active brake assistance, active lane control and active distance assistance. Mercedes-Benz sensor system, uses short-range radar for additional safety.

CHASSIS _AL-KO performance wide-track chassis with Electronic Stability Program (ESP).

Double and triple-axle models, to support 4 inspired layouts. The lightweight chassis enables a higher payload.

AL-KO

A 65 l fuel tank as standard, with optional 92 l tank for extra range; with separate AdBlue filling.

Designed for living

Driven by a vision of uncompromised comfort with contemporary living spaces, for luxurious easy-living comfort and practicality.

ELEVATE YOUR SENSES _ *Elegant interiors, designed around the way you choose to live, for a feeling of incredible well-being.*

All-new living spaces, creating space for socialising and for privacy, with the features you need.

LOUNGE

Contemporary open-plan lounge with low separation wall and L-design or Face-to-face (double sofa) dinette, with seating in new sewing style.

SEATS BY AGUTI _ *Uncompromised comfort with adjustable features and optional air-cushioning. Aguti GIS Liner as standard, Liner 3 optional.*

Dinette features exclusive retractable seatbelt support for more safety and comfort, can be stowed away when not moving.

Extendable and rotatable table for flexibility with Grey table top. Use as a coffee table or dining table, with unique extension system (on selected layouts).

Innovative lighting, with four pre-set ambiances and easy control system.

Multimedia wall with TV holder (up-to 32"), USB port and phone-charger plate and power sockets. Powerful sound system with 4 speakers and Bluetooth® connectivity.

KITCHEN

Innovative home-style kitchen,
with more space
and the best appliances.

Integrated stove top and sink, with flexi-tap and more workspace. Choice of solid HPL or Kerrock slim worktop. Large soft-closing drawers and central-locking mechanism. 177l TEC Tower absorption fridge-freezer as standard (142l fridge / 35l freezer) with double-hinge opening and soft-touch controls.

*Integrated gas oven with grill.
Nespresso® coffee machine (option).
Alde Aqua Clear for safer water when cooking, showering and washing (option).*

STORAGE

*Innovative storage with large capacity wardrobes, cupboards and drawers.
Large garage with 123cm height (layout dependent) with LED lights, sockets and outdoor shower.
Clever co-driver storage cupboard.
Extra storage in double floor.*

LIGHTING

CONTROLLABLE AMBIANCE THROUGHOUT

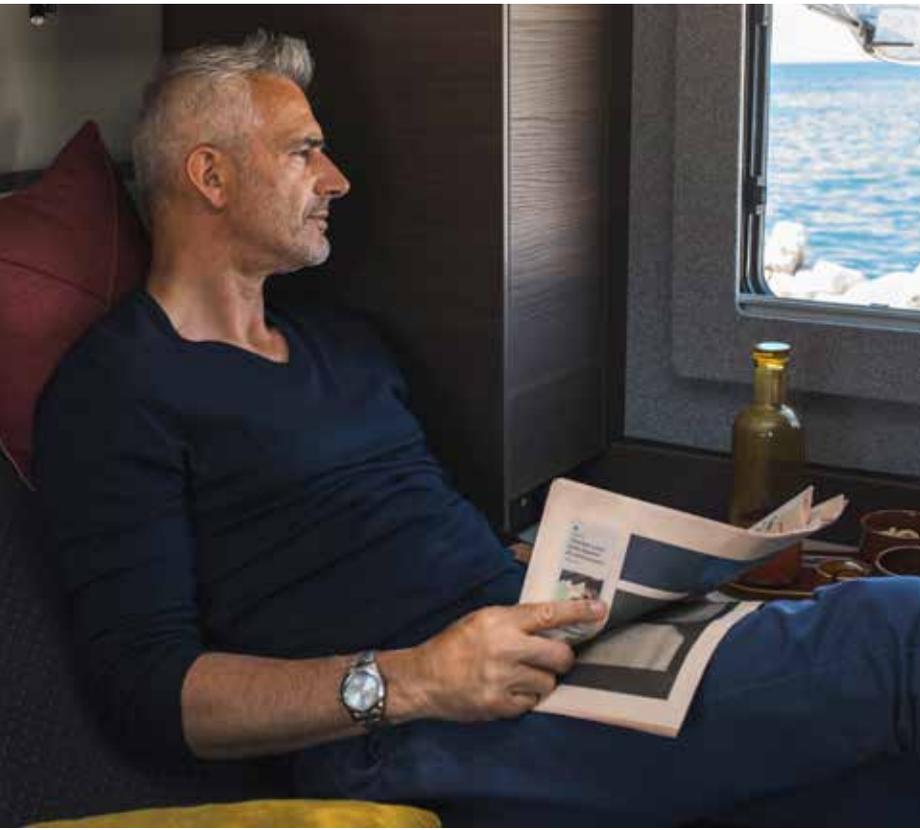

with smart control LEDs, spot lights and ambient lights.

Smart lighting with spot, LED and ambient lights in all living spaces.

CONTROL

*Adria digital control panel for easy control of lighting and key utilities.
Smart lighting with spot, LED and ambient lights in all living spaces. Adria MACH smart control mobile application available.*

Elegant wall linings and headboard in textile or leather.

Wardrobes with illuminated profiles; underbed storage and overhead cupboards.

BEDROOM

Master suite with king-size central bed (1,500 x 1,950 mm) or longitudinal beds (2050 x 830 mm) with electrical adjustment, slatted frames and Luxe mattresses.

LOFT BED

Strong, light construction front loft-bed (1900 x 1500 mm) with ventilation and hidden, smooth electrical mechanism. Kaltshaum mattress and two spot lights.

SPA BATHROOM

Large luxurious spa bathroom with quality fittings, illumination and storage.

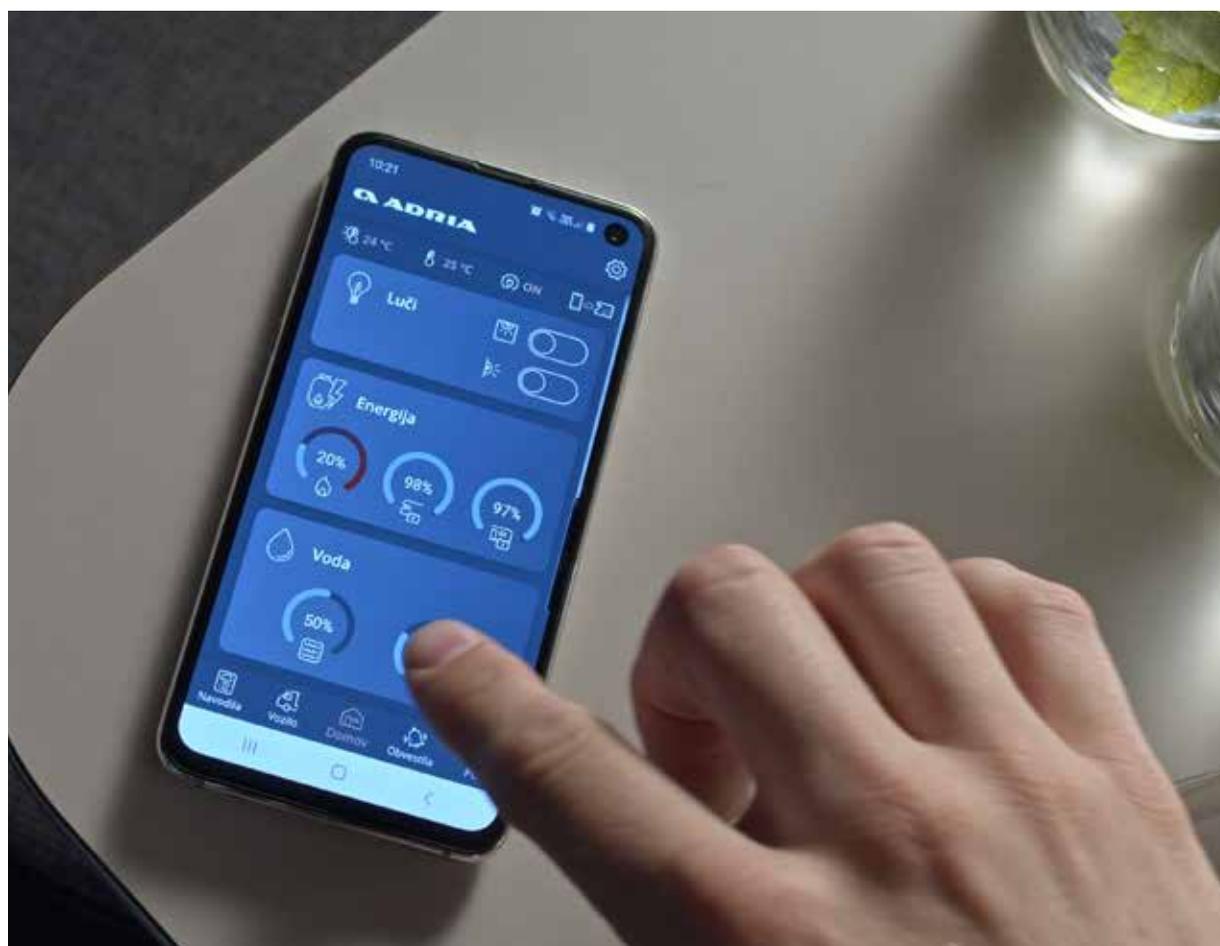

Personalize your choice of premium quality counter top (Solid HPL or Kerrock).

Separate shower room with Alde shower tower, wall heating, towel bar and hangers.

Adria Mach

FOR AN EASIER LIFE.

Environmental control at your fingertips, and remotely, with Adria MACH smart control mobile application, which controls heating, cooling and other vehicle utilities.

MACH

uses Bluetooth® for **local control** of key functions (control panel, heating, air-conditioning** refrigerator, lighting, water pump, water tank levels and battery status). Also enables monitoring of external and internal temperature and provides basic vehicle information and levelling data.

MACH PLUS

uses Bluetooth® Wi-Fi and LTE for **local and remote*** control of key functions (control panel, heating, air-conditioning** refrigerator, lighting, water pump, water tank levels and battery status) with statistics and prediction feature.

MACH plus also monitors air pressure, outside humidity and gives access to **interactive User Manuals**, vehicle information and levelling data as well as Mobile Office Wi-Fi hotspot* functionality (access to web, IP radio and TV).
