Real world performance

All Adria motorhomes are also designed to perform. Everything is meticulously designed, developed and tested to ensure your safety, comfort and enjoyment. Built to enjoy, built to last.

1_INSPIRED DESIGN.

Exclusive exterior styling with dynamic front profiles, stylish rear walls and signature features such as the Adria exclusive design features on many models.

2_BASE VEHICLES.

Perfect integration with the base vehicle, with a choice of Fiat and Citroën depending on the model you select. The latest Euro 6 engines and a range of driver and safety aids.

3_BODY CONSTRUCTION.

Adria's unique 'Complex' body construction combines the torsional strength of wood, the durability of polyester and the moisture-stopping properties of polyurethane.

4_CLIMATE CONTROL.

Designed for living all year round, with optimized heating efficiency by Truma and Alde. Precisely engineered and tested to extremes in our climate chamber.

5_INSULATION.

The latest thermal insulation materials, sophisticated heat and air flow management to Adria's 'Thermo-build' standards and no 'cold-spots'.

6_AIRFLOW.

Adria's sophisticated Air Flow System means every vehicle has integrated air-flow and ventilation, with no cold-spots.

7_WINDOWS & DOORS.

Large, advanced design panoramic windows with built-in features. Exclusive SunRoof design (Coral). All windows and doors integrated to ensure optimum natural lighting, ventilation, privacy and security.

8_FURNITURE & STORAGE.

Craftsman-built cabinetry integrated with heating and air flow for optimum thermal efficiency. Large garage design, with light and power and great storage solutions inside.

9_COMFORT.

Contemporary living spaces with optimized space and functionality for comfortable living and a home-style feeling.

10_CUSTOMER SERVICE.

Class-leading 2 Year General Warranty and 7 Year Water Ingress warranty as standard, a dealer network of over 500 dealers, and efficient after sales and parts service, with roadside assistance, where provided by the base vehicle manufacturer.

Some features may not be available on all models. Please check www.adria-mobil.com for individual model specifications and technical details.

*conditions apply see website for details.

Body construction

Adria motorhomes have a reputation for being robustly built, which reflects our approach to design, construction and quality management.

Adria's unique 'Comprex' construction combines the torsional strength of wood, the durability of polyurethane and the moisture-stopping properties of polyester.

TECHNOLOGY

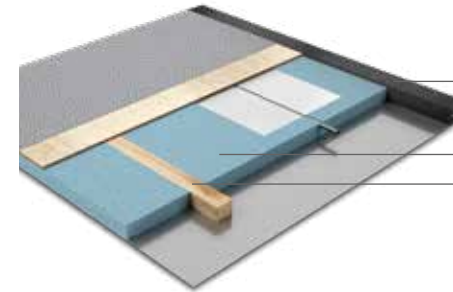

Advanced technologies are used in manufacturing, including Plasmateat, a robotized process which cleans and applies adhesive for perfect aperture sealing.

DOUBLE FLOOR

- 1 Composite wood panel
- 2 Polyurethane sealing
- 3 EPS Styrofoam
- 4 Exterior polyester body shell cladding (sidewall)

- 5 Exterior polyester body shell cladding (floor)
- 6 XPS Styrofoam insulation foam
- 7 Reinforced hardwood profile

Please check www.adria-mobil.com for individual model specifications and technical details.

*conditions apply see website for details.

Climate control

Our motorhomes are built to Adria 'thermo-build' standards, making them suitable for use all year round. Featuring advanced insulation materials, precisely engineered heating design and Adria Air Flow System for ventilation and optimum circulation of air, cooling and heating.

All vehicles are tested in our own climate chamber, from -25 to +60 degrees and in humidity from 45 % to 80 % between +30 and +60 degrees.

Comfort is assured in warmer conditions, with good ventilation, integrated shading, screens and thermo-shielding in our panoramic windows. Optional air conditioning is also available.

HEATING

Truma warm air heating or **Alde** liquid based central heating, which distributes heat evenly throughout the motorhome. Optional electrical floor heating also available.

POWER PACK

Enjoy more autonomy with our optional Power Pack, including high performance Solar Panels and LiFE PO4 lithium battery.

*Some features may not be available on all models. Please check www.adria-mobil.com for individual model specifications and technical details.

Base Vehicles

We choose the base vehicle and chassis for each motorhome for the best torsional strength, performance dynamics and interior living space design.

All vehicles offer the latest Euro 6 engines, advanced driver and safety aids.

Fiat Ducato

The Fiat Ducato offers the latest in design, performance and features.

Powerful and efficient 2.2 l Multijet 3 (Euro 6.d Final) engines, at 140 HP and Power 180 HP.

A choice of manual or automatic gearbox (from 140 HP on), the latest exterior and interior styling, including new cabin, dashboard, infotainment systems, driver and safety aids.

FIAT DUCATO LOW PROFILE CHASSIS

Proven chassis with the following features:

- Rigid rear axle with longitudinal parabolic composite leaf springs, & telescopic dampers.
- Up-to 4,400 kg MPTLM.
- 16" wheels optional for Light Chassis models.

Citroën Jumper

The Citroën Jumper is now available on all motorhomes, excluding integrated models. Efficient and powerful 2.2 l HDi engines (Euro 6.3) at 140 HP and 165 HP.

Features a high-level of standard equipment, with a manual only 6-speed gearbox and the benefits of a large 90 l fuel tank.

CITROËN CHASSIS

The Citroën Jumper chassis on selected Axess models.

- Up-to 4,000 kg MPTLM
- 16" wheels optional for Light Chassis models.
